## Finale Registration

Thank you for joining us in celebrating the National EmPOWERED to Serve Business Accelerator™. This program trains and invests in social entrepreneurs and businesses working to eliminate health disparities in under-resourced communities.

On **October 20, 2022**, you're invited to the finale to hear from 12 innovators as they present their personal commitment to health equity and how their businesses are improving the health of their communities. Help us cheer on these finalists, who completed a six-week training course to perfect their business models for a chance to secure up to \$80,000 in grant funding from the American Heart Association.

**Register below to receive the link to watch the virtual finale on October 20 at 6 p.m. CT.**
